PRAYING & FUND RAISING
For “Haiti Earthquake”

There was a 7.0-magnitude earthquake in Port-Au-Prince, the capital of Haiti on January 12, 2010 ◦ It is the largest earthquake to strike the region in over 200 years, killing tens of thousands of people and destroying over thousands of homes. BAUS will do “Back to The Big” for this disaster every day by wishing everybody to go towards Buddisatva, and pray for the progress and well-being of the victims in Haiti.

The U.S. government had already sent troops and \$100 million to Haiti for emergency assistance. President Obama also invited President Bush and President Clinton to start fund raising. It is for emergency support as well as helping to rebuild Haiti in the long run. BAUS encourages everyone to make a donation in order to help this disaster. Please directly donate to either of the following:

“www.clintonbushhaitifund.org” or make all checks payable to :
“BAUS” or “The Buddhist Association of the United States”

Please write in the memo line:

“Earthquake for Haiti”
